

Career Night

See What Your Career Can Look Like In a **MISSION-FOCUSED ENVIRONMENT.**

You'll get a hands-on perspective of real-life jobs in:

- Engineering
- Manufacturing
- Global Communications
- Information Technology
- Business

You can use your career to make a positive impact in the world.

Who is SIGN Fracture Care?

SIGN Fracture Care International is a non-profit manufacturing company in Richland. We design and manufacture surgical instruments and implants, then donate them to hospitals in developing countries. This empowers surgeons and helps people with broken bones get the care they need to heal.

Join us for:
Career Night
Tuesday, November 19
4:00-5:30pm at
SIGN Headquarters
451 Hills Street, Richland, WA
